Dear Michael Davidson,

I am writing to thank you for your assistance in facilitating the growth of Appletree Learning! Because of you, the experience of moving my teaching and consulting business from my home to an office space was efficient, fast moving and really enjoyable. Not only did you negotiate the lease for me in a very professional and formidable way but you also facilitated a complete renovation of the space. The result is a beautiful little school for Appletree and rent that is very manageable!

In a very short time I hired four teachers to assist me and my client base grew tremendously. Although I experienced periods of stress as things moved so quickly, I could always count on you to maintain a calm, balanced and professional manner and for that I am extremely grateful! You are a truly gifted professional with real life skills!

Michael, I thank you again for all your hard work. It has been a great experience working with you in making this significant move. Anyone who has the opportunity to work with you will be equally as impressed I am sure.

Best wishes,

Raegan Hubbard
