**RE: Fraser Macdonald and our recent purchase of 40 West Beaver Creek**

Dear Sir/Madam

We are taking this opportunity to comment on the service we received from your Sales Representative Fraser MacDonald who acted for us in a recent commercial real estate transaction.

The process of finding the right building for us was challenging and time consuming but we were very pleased with the professional service we received. The process went smoothly without surprises and misunderstandings. Mr. MacDonald proved he could be relied upon. I would not hesitate to recommend your organization and Mr. MacDonald specifically to any colleagues.

Well done and thank you!
